

PRE – TEMPLATE CHECKLIST

Please confirm the following:

1. CABINETS INSTALLED – All cabinets must be levelled, square and secured to the walls and/or floor. Photographs of the job site are taken and markings indicating the placement of cabinets are made. The cabinets are not to be moved or adjusted at all after we template
2. If measuring on existing countertops, please remove everything from top.
3. APPLIANCES ONSITE - inspected and out of the box (in the area it belongs in)
4. SINKS ONSITE – Please make sure new sinks are opened and inspected before template date. If using a farm/apron sink, it **MUST** be installed and secured before template.
5. FAUCETS and any other accessory pertinent to the installation of the countertops must be on the job site during the template.
6. TILES to be placed after our installation is completed, especially in the **bathroom area**.
7. DECISION MAKER – A decision maker **MUST** be onsite for this appointment to go over any questions the template tech may have regarding the dimensions, countertops, and sign-off on details.
8. Make sure **NOT** to schedule other trades such as painters, electricians, plumbers, etc. at the same day/time as the template.

Terms & Conditions

We reserve the right to charge a trip charge of \$250.00 to cover the costs associated with an incomplete visit.

By signing, I understand the above information.
